

HARBORLINE FERRIES LIMITED

Terms of carriage

These terms cover a booking with Harborline Ferries Limited, Kelsall Quay. They apply to a scheduled sailing. Charter bookings follow the charter section instead.

Effective September 27, 2026.

Harborline Ferries is a fictional operator. This document is a sample for the brand kit. It is not a contract with a real transport company, and the sailings, terminals, and refund figures are not advice about any actual service.

1. The booking

A booking is a contract for carriage on the sailing named in it. The booking states the passenger, the route, the terminal, the date, and the time. When a vessel is assigned, the booking names it in full.

The fare is the price of that sailing. We take payment when the booking is made. A refund, when one is due, goes back to the same method of payment.

2. Check-in

Check-in closes at the times below. A passenger who arrives after check-in has closed is not carried on that sailing. We put them on the next sailing at no charge.

Arrive a little earlier than the close. Foot passengers should be at the desk 20 minutes before departure. Vehicles should be in the lane 30 minutes before.

	Class A, outer	Class B, estuary	Little Ossian, charter
Vehicle check-in closes	25 minutes before	15 minutes before	No vehicles
Foot passenger check-in closes	15 minutes before	10 minutes before	20 minutes before

3. Vessels and vehicles

Class A vessels work the outer crossings: Ardmore Rose, Kelsall Endeavour, and Marnoch Star. Each has a lift and a vehicle deck.

Class B vessels work the estuary: Tolquin Spirit and Braewick Trader. Each has a lift and a vehicle deck.

Little Ossian is kept for charter and relief. Little Ossian has no lift and no vehicle deck. A wheelchair booking placed on Little Ossian is moved to a Class B vessel. We tell the passenger.

We may move a passenger to another vessel that can carry them. We tell them when we do.

4. Assistance

Assisted travel can be booked up to 24 hours before departure. A passenger who arrives without having booked is still carried and still helped. Notice guarantees the arrangement. It does not ration it.

Wheelchair access to the passenger deck is available on every Class A and Class B vessel. It is not available on Little Ossian.

Assistance dogs travel on every vessel, at no charge. Tell the crew at check-in.

A discreet request card is at every desk and with any crew member. No explanation is asked for.

5. Delay and cancellation

We sail when it is safe and we do not sail when it is not. There is no weather exclusion on a scheduled sailing. If we cancel a scheduled sailing and there is no alternative the same day, the passenger gets the fare back, plus £30 per passenger.

A delay is measured on arrival. A claim for a delay of 30 minutes or more is made on the online form within 28 days. Compensation is paid within 14 days of a valid claim, to the original method of payment.

What happened	What the passenger receives
Delay under 30 minutes	No payment
Delay of 30 to 59 minutes	25 percent of the fare
Delay of 60 to 119 minutes	50 percent of the fare
Delay of 120 minutes or more	100 percent of the fare
Canceled, no alternative the same day	100 percent of the fare, plus £30 per passenger

This table is for scheduled sailings. Do not apply it to a charter.

6. Charter

A charter is a hire of the vessel, usually Little Ossian. The scheduled delay table does not apply. The refund depends on who cancels, and on how much notice we have.

Canceled by	Notice	Refund
The charterer	More than 21 days	90 percent of the fee
The charterer	8 to 21 days	50 percent of the fee
The charterer	7 days or less	No refund
Harborline, weather	Any	100 percent of the fee. No extra payment.
Harborline, technical	Any	100 percent of the fee, plus 15 percent of the fee as a credit

7. Terminals

We sail from Kelsall Quay, Nethergill, Tolquin Pier, and Braewick Slip. The company office is at Kelsall Quay.

Kelsall Quay handles outer crossings and night berths. Nethergill handles outer crossings. Tolquin Pier is an estuary service and has no overnight berthing. Braewick Slip is an estuary service for Class B and Class C only.

From December 1, terminal waiting rooms open 90 minutes before the first departure. If a sailing is delayed beyond 45 minutes, hot drinks are provided at no charge.

8. What these terms do not do

A welcome letter confirms the booking. It does not replace these terms, and it does not recite the refund table.

These terms do not set a luggage allowance, a pet rule, or a fare. Those are on the booking. An assistance dog is carried as set out above.

See you on the quay
